

SANCTUARY DONATION DRIVES

Donation drives ensure that our sanctuary is fully stocked with everything that is vital to giving our rescued animals the best life possible. Thanks to you, we are able to ensure each sanctuary resident is happy, healthy, and loved during their stay at the Pasado's Safe Haven sanctuary.

You can help our animals directly by hosting a donation drive with your class, school, book club, office, neighborhood, or family!

We will give you all the tools you need to successfully run a donation drive.

RALLY YOUR NETWORK IN SUPPORT OF PETS!

STEP ONE - Plan your drive.

Use this donation drive toolkit to help plan your drive. This toolkit includes templates for social media and email as well as branded materials you can use to spread the word about your drive.

STEP TWO - Engage your network.

Inspire your network by sharing why you care about animals and how our sanctuary helps rescued animals. Send an email to your network and post on social media using the templates included in this toolkit.

STEP THREE - Collect donations.

Share our convenient Amazon and/or Chewy Wish list that ensures donations go directly into our sanctuary.

If you are hosting an in-person drive, you can print out the wish lists (pages 3-6) and flyer (page 7) included in this PDF and hand them to shoppers. Choose the wish list that best fits the location of your drive.
